CUB SCOUT NEWS

The last field day for the year of 1948 was held on Saturday, September 11th. There was a good turn out of Cubs but very few parents.

The awards for the Den Competition Games will be presented at the next Pack Meeting. We would like to see all the parents of the Cubs at this meeting so they may witness the awards.

The surprise event of the day was a Pie Eating Contest for the Cubs. Our fastest Pie eater was, Derrel Cozby, who won first prize. Ron Riggs came in second and Vincent Reese came in third.

The Den Chiefs also had a pie eating contest and the winners of this event were Kenneth Walton; second, Dick Soward and third, Eddie Brenzel.

The third surprise was a Pie Eating Contest for the Committee Members and the Den Mothers. Mr. Hogue came in first, Mr. Edwards was second and Mr. Sullivan, third.

Altogether there were a lot of Banana Cream, Lemon Cream, Berry, Cherry and Apple Pie Faces on the Play Grounds.

A word of thanks to all who gave their cooperation and assistance in making this Field Day such a wonderful success.

The Cub Dens have been, for the most part, inactive during July and August, but they are ready to activate once again during the week of September 13th and this is official notice to all Cubs in Pack No. 134 that they should all report to their respective dens on their regular meeting day of the week. The next regular Pack meeting will be held at the Brisbane School Friday evening, September 24, 1948.

Now for the sad part. This part of the Cub news isn't news. It is merely a repetition of what we have had facing us several times before the past several months.

CUB PACK No. 134 BRISBANE, CALIFORNIA, NEEDS DEN MOTHERS!

It is always a mystery to us why we should have to beat our brains out, argue, plead, beg and advertise for Den Mothers. This Cub Scout business is wonderful for boys between the ages of 9 and 12 (Continued on page 5)

ADULT SOFTBALL LEAGUE

The Recreation Adult Twilight Softball League which has been such a tremendous success is now entering its final standings.

The League which has provided much entertainment for everyone has proved itself a very good thing for Brisbane. The players themselves have not only benefited from it but from the line of cars always present it has proved itself to the satisfaction of the spectators.

We of the Recreation Department are glad it has turned out this way and we can and will plan for a bigger and better year next year. The League standings so far have narrowed down to two teams, the Firemen and the Scout Committee.

The Firemen have already won the first half. The second half ended in a three way tie between the Firemen, Scout Committee and American Legion. The results were: The Firemen drew a bye leaving the Scout Committee and American Legion to play it off, with the winner earning the right to meet the Firemen for the second half championship. The American Legion and Scout Committee played it off with the Scout Committee winning 7 to 3. The Scout Committee will now meet the Firemen for the second half title. The Firemen if winning the game and title will automatically become league champion by winning both halves but, if the Scout Committee wins the game and second half, there will be a two out of three game play off for the league championship.

With the results not in at present it is not possible to say who the winner will be but it would prove all of you some entertainment so come down and see the results for yourselves.

The League champions will be

We of the Recreation Dept. assure you that the winning team will really deserve this trophy as these games all along have been very hard fought contests and these final games even much more so.

Lets come down and watch our neighbors in action folks, its worth it.

BRISBANE CUBS ON THE AIR ON KYA!

Residents of Brisbane who were fortunate enough to have their radios tuned to KYA at 9:45 A. M. Saturday, August 28th heard a very inspiring program. It was a 15 minute interview with Den Mother Mrs. Grace Harris and Cub Scouts Carrol Soward, Gene Johnson and James Brattonas as participants.

Mrs. Harris did a grand job explaining the purpose and aims of the organization and the poise of the Cubs was something to be proud of.

Mrs. Harris is a homemaker and the mother of two children but still finds time to devote to these boys. She is Den Mother of Den 7, Pack 134 of which Richard Soward, Boy Scout, First Class, is Den Chief. Other Cubs in Den 7 are Charles Adkisson, Ronald Grewell and Steven Kullbom. This group is a credit to any community and with the training these boys are receiving there will be no problem of child delinquency. Mrs. Harris and Den Seven we salute you!!

THANKS FOR SPLENDID WORK

A letter of thanks from the Brisbane Board of Fire Commissioners was sent to Chief of Police Officer Girolo for his splendid co-operation in handling traffic at fire scenes and following through with the ambulance calls. This has added to the efficiency of our districts.

This club was started by Mr. Beal, minister of the First Baptist Church on Visitation Avenue who has met with the boys each Thursday morning throughout the summer and successfully interested them in the wonders of Nature. Many thanks to Mr. Beal for introducing and keeping this group of boys busy and interested in their study of "bugs." LEGION CONVENTION NEWS

Brisbane Legion Post No. 473 and Auxiliary Unit made a splendid showing and was well represented at the recent Annual State Legion Convention held through September 1 - 5 in San Francisco. This marked the 30th anniversary of the Legion.

Many legionnaires and auxiliary members of our Post participated in the colorful torchlight parade which took place on Friday night September 2.

Approximately fifty Legion men representing the posts throughout the 26th District of San Mateo County, which included Brisbane, made a noticeable showing dressed in white shirts, dark trousers, dark blue ties and caps both bearing Legion emblems. Brisbane carried its own banner.

Those carrying our colors were "Bill" Davidson, Lehman Reaves.

Directly behind the men marched the Auxiliary which boasted of nine Brisbane ladies and two Junior Auxiliary members. In dark suits with yellow shoulder-to-

waist sashes and powder blue caps they made an outstanding display as was evidenced by the several "hands" from the sidelines. It might be said here that the blue caps which the Brisbane Auxiliary ladies have been wearing of late were never made official and the subject and model were on the Convention agenda to be voted upon. The cap design and color originated right here in our 26th District. However, a darker blue cap was favored and adopted and voted on as the standard Auxiliary cap.

Brisbane was also overwhelmingly proud of its Drum and Bugle Corps who were requested to take part in the parade by the 26th District who chartered a special bus for the convenience of the boys and girls. As in the past these boys can be relied upon to put on their very best show. Never before have they competed with such stiff competition but they came through with flying colors winning first prize as the best Drum and Bugle Corps in the Junior Division. Congratulations and many thanks to those three hard working instructors, "Dick" Hoskings, George Brady and Clifford Brown.

Legion Delegates to the convention were:

Delbert Clark H. Earle Woodard

Harris Hooper Richard Fassett

Alternates were:

Auxiliary Delegates were:

OUR SCOUT NEWS

(Continued from page 1)

years. In our estimation it is one of the best curbs of Juvenile Delinquency there is. It is an educational as well as an entertaining program and we just can't understand why there isn't at least 8 (Yes ONLY 8) Mothers in Brisbane that can offer a place for these cubs to meet once each week and give them a little supervision and advice in their Cub program.

We now have 48 Cubs in our Pack and for these 48 Cubs we should have at least 8 Den Mothers.

It seems reasonable to us that out of these 40 or more Mothers there would be at least 8 that could offer their services.

There are 5 Cubs in Den One right now without a Den Mother. Due to illness in her immediate family it was necessary for the previous Den Mother to resign and up to this time, we have failed to find one single mother in Brisbane to take her place.

We also have two or three Mothers that have served as Den Mothers longer than should be necessary and it is only right that at least 5 mothers should come forward right now and offer to do their just duty and spend one hour a week training to learn the duties of a Cub Den Mother and be in a position to take over a den when a Den Mother is needed for a short period of time.

If everyone would cooperate and each Mother that has a Cub Son would help her own son it would not be necessary for any Mother to serve longer than one year. Yet in the past, it has been necessary for Den Mothers to serve as long as three years before anyone would come forward to relieve them.

Mrs. Chapman, Mrs. Smith and

Mrs. Sullivan have all served three years before turning their duties over to someone else.

However, these three stayed the full three years because they liked the work, they liked the people they met and associated with and enjoyed helping these cubs learn, work and have fun.

Really Mothers, this Den Mother's business is not hard work and, in no way shape or form, is it a nerve germ. The duties of a Den Mother is merely to provide a meeting place for 6 boys 1 hour a week for approximately 44 weeks each year, supervise their Cub activities and attend Committee meetings and Pack Meetings once each month. That is all that is required and all expenses are paid by the Cub Pack. Anything else is entirely the Den Mother's own idea.

Anyone or all of the following committeemen, a special committee appointed to keep Cub Pack No. 134 supplied with Den Mothers, would appreciate having a call from any Mother that is willing to help these boys and our Cub Roy Edwards - JUniper 5-7406

Call them and they will furnish full information to any Mother that might be interested.

Poet In The Kitchen

I wanted to write a poem,
But I made jelly instead—
Quince and apple jelly,
Richly and warmly red.
Tang of fragrant honey,
Richness of autumn sun
Caught into crystal glasses,
And lo! my poem was done.
—Jean Crosse Hansen.

September In Your Garden

Plant daffodils and hyacinths for Christmas. Bury pots in cool outdoors spot—eight inches under—for 10 or 12 weeks, until sprouting occurs. Bring in, give subdued light until sprouts turn healthy green. Give chrysanthemums commercial fertilizer. Spray.

Hands that dig in a garden can be given a beauty treatment while they grub, if you'll cover them with cream before you cover with gloves.

A trick many beauty-wise women use is to wear two pairs of gloves for gardening. An inner pair of cotton knit is worn to keep cream confined to hands. An outer pair of sturdier canvas keeps hands from harsher contacts with soil, sharp particles and chemical irritants.

You can keep fingernails better protected from the rigors of gardening, if you'll dig tips into a cake of soft soap before you glove your hands.

CRACKER ENCHILADA PIE

Here's quick enchilada pie, similar to the old favorite, tamale pie. Using crackers instead of cornmeal mush makes this casserole easy to do and unusual too.

1 onion, chopped

1 clove garlic, chopped
¼ cup salad oil or shortening
1 pound ground beef
2 tablespoons flour
2 cans (8 ounce) tomato sauce
1 cup water
2 tablespoons vinegar
1 cup cream-style corn
1 cup chopped ripe olives
1 teaspoon salt
2 teaspoons chili powder
soda crackers
¼ pound American cheese

Cook onion and garlic in oil or shortening until golden brown; add ground beef, and cook slightly. Sprinkle flour over meat and stir into mixture. Add tomato sauce, water, vinegar, corn, olives, and seasonings. Simmer for 20 minutes. Grease casserole and line bottom and sides with whole soda crackers. Pour in half of the meat mixture; cover with half the cheese either diced or grated. Add a layer of crackers and remaining meat mixture. Top pie with other half of cheese. Bake in moderate oven (350 degrees) for 45 minutes. Garnish with sliced hard-cooked eggs. Serves 8 generously.

"Small girl, commenting to friend on passing boy and girl: 'Goodness, she's old enough to be his sitter.'"

—This Week Magazine.

Hints:

When cooking outdoors, add an old-fashioned wire-mesh corn popper to your utensils:

It's perfect for grilling hot dogs, kabobs, bacon, sausages, and corn on the cob over the coals. Before using, brush the mesh lightly with fat to prevent sticking. Wash and

dry the popper carefully when the picnic's over. Use it to store paper napkins and small picnic condiments like salt, pepper, meat sauce and mustard for the next picnic.

For a zippy, quick salad dressing:

Blend a tablespoon or two of canned tomato paste with three times as much mayonnaise. Season with grated onion, a sprinkling of chili powder, and a few drops of tabasco sauce. Tastes especially good with meat or fish salads.

A handy cutter for many kitchen jobs is an ordinary wire egg slicer:

Use it to cut ice-box cookie dough into paper-thin wafers for baking . . . to slice rolled processed type cheese for sandwiches and canapes . . . to cut bananas for breakfast cereal . . . and to slice cooked beets and carrots for salads.

To make jellied salad easy to unmold:

First brush the inside of the mold lightly with salad oil or French dressing. Add the gelatin mixture and chill until firm. When ready to serve, run a sharp-pointed knife around the top edge of the mold and invert on a plate. Out will slide the salad—neat as can be, ready to garnish.

BAPTIST CHURCH NEWS

An event of October 1, at 8 p. m. at the Golden Gate Baptist Theological Seminary is the marriage of Rev. Edward Lane, pastor of Bethel Baptist Church, Brisbane, to Dorothy Clifford, student at the Seminary.

After Completing her Bachelor of Science degree from Oklahoma Baptist University, Miss Clifford was an employee at the Baptist Sunday School Board, Nashville, Tennessee and later was Assistant Registrar at New Orleans Baptist Theological Seminary.

Bethel Baptist Church, Brisbane has purchased the Administration Building of the Wisconsin Housing Project, San Francisco. The building is now being taken apart and moved to the building site of the Bethel Baptist Church on the corner of San Bruno and Mendocino. As soon as all this material is moved, the construction of the auditorium of the church will be started.

When the new Church building is completed, the seating capacity of the Church Auditorium will be 375. The building will be a fine stucco frame structure of which Brisbane will be proud.

We are very grateful to the people of Brisbane who have so generously given of their funds as well as their time and in labor on the new building.

This Church was organized September 5, 1946, with 24 charter members, and the membership now is 70.

DIETER and FERNANDEZ WED

Miss Uneida Dieter became the bride of Joseph Fernandez in a pretty twilight ceremony performed at 7:00 P. M. Saturday, July 31 in the Visitation Valley Catholic Church of San Francisco.

The double ring service was read by Rev. Father McCarthy and was witnessed by a large assemblage of relatives and friends of the young couple. Music was furnished by the choir of that church.

The church was decorated with pink and white carnations.

Miss Dieter was given in marriage by her uncle, Cavitt Moon of Brisbane, California.

She was beautifully dressed in a gown of white bridal satin, fashioned with a sweetheart neck-

line, long sleeves and train. A seed-pearl crown held the fingertip veil and the heartshape bouquet was of orchids and stephanotis. For something old, she carried a white laced handkerchief her grandmother, Mrs. Myrtle Moon, carried on her wedding day 38 years ago. For something blue, she wore a blue laced garter. For something borrowed, she wore a necklace of pearls belonging to her aunt, Mrs. Cavitt Moon. For something new she wore a white gold watch given by the groom.

Maid of honor, Mrs. J. Micallef, aunt of the bride, was frocked in an aqua brocaded satin dress with a bustle back. The bridesmaid Mary Fernandez, cousin of the groom, was attired in golden brocaded satin with bustle back. They carried a colonial bouquet of white flowers and roses.

Flower Girl Donna Dieter, sister of the bride, wore a baby blue taffeta dress with bustle and carried a bouquet of baby roses.

The bride's mother wore a floral dress with black accessories and the groom's mother wore a navy with gray accessories. Both wore an orchid corsage.

The attendants were Joseph Micallef, best man and Eugene Matteucci as usher.

The Buffet supper was held at the home of the groom and was attended by the immediate family and close friends. The bride's table was laid with a white linen and was centered with a three tiered cake.

The New Mr. and Mrs. left on a two weeks honeymoon at Lake Tahoe. The bride made her going away suit of pale green wool. She wore white accessories and a corsage of orchids.

After their return they will reside at 250 Peninsula Ave., San Francisco.

The bride is the daughter of Mr. and Mrs. Anton Dieter of Brisbane California, and the groom is the son of Mr. and Mrs. Anthony Fernandez, San Francisco.

HOME TOWN FOLKS

Mr. and Mrs. "Doug" Curtner of Brisbane spent a recent weekend in Yosemite Park. While there they had several visitors from the surrounding territory. Although friendly, said visitors were completely without scruples and made off with three pounds of bacon belonging to the Curtner's rations.

Yes, you've guessed it, they were big brown bears that roam the park at will and make themselves very much at home in the cabins.

Nick Drmalos passed away in a San Francisco hospital on August 17. Nick was a familiar personality to many Brisbane residents having operated a vegetable truck in this locality for several years. He had been ill for two weeks.

Mr. and Mrs. Gene Fogelman left Brisbane four months ago to take up residence in Estes Park, Colorado. Because of extreme heat and the high altitude they have returned to live in good old California again.

SCHOOL OPENS

Enrollment at the Brisbane Grammar School for the first day was 435. The kindergarten had 54 pupils registered. This group has been divided into two classes. The morning class will be from 9-11:30, and the afternoon class will be from 1 - 1:30. Miss Mary Chapelle is the teacher.

Mrs. Betty Sullivan a new faculty member, will teach the 5th and 6th grade. Mrs. Cali will have a special class in art technique for the upper grades. In addition to her work as music instructor, Mrs. Bartlett will have a special remedial reading group in the mornings for pupils in the lower grades.

GOOFY GOSSIP

The latset gossip from the Street:

That "the Chief of Police is to be ousted. There is a petition being circulated and will be presented to the Commission." We don't put much stock in the rumor.

Let me say this: If you have a complaint of merit take it direct to the Commission with the proof of the circumstances.

The facts will be gone into, your complaints will get proper consideration from the proper source.

From all reports we are able to get is that our Chief is doing a good job. Enough said.

There seems to be a lull in projects for the advancement of our fair city.

The water improvement and sewer disposal plant seems to be moving slow. Why? Due to the delay in getting the proper sites and survey by the experts, who are so busy, they are not able to give it the proper attention needed right now.

However, the wheels are grinding slowly according to the sponsors of these two projects.

In due time there will be such projects located and presented and it will require a decision from the people of this community. Let's be prepared to act.

Let us draw your plans and build for you,
or sell your home. Finance for you or write
your Fire Insurance.

So long, until next time.

CHAMBER OF COMMERCE NEWS

Chamber of Commerce members are busy working on negotiations for the proposed bus stop shelter. Possible site will be where the bench is now situated on opposite side of Bayshore Highway.

The shelter will be of movable construction and if said negotiations work out favorably it may be transferred to Mozzetti's side of Highway.

WELL KNOWN BRISBANE RESIDENT PASSES AWAY

Amos R. Kinney, resident of Brisbane since March, 1929 passed away at his home 280 Mendocino Street, August 15.

Mr. Kinney can truly be called a pioneer of Brisbane's early days. The town at that time did not have streets and lacked a Post Office and School Building of which the deceased's influence brought about these much needed facilities. The Kinney house was one of only seven buildings standing on the tract. Mr. Kinney was also the town's very first Police Deputy Sheriff and served under Superintendent McGrath for several years.

During World War II, Mr. Kinney was organizer of the Civilian Defense Control Center and is the first deceased member as the organization is still in existence.

He was also a member of the American Legion and first member in Brisbane to belong to the 40 and 8 of San Mateo County, a

member of the Disabled War Veterans and also a member of the new V. F. W. Post of which Mr. Kinney's tireless effort helped to organize.

Sympathy is extended to Mary J. Kinney, wife, a son, Amos Richard, Jr., a daughter, Mrs. Yvonne M. Smith and two granddaughters Sharon and Nancy Smith, all of Brisbane.

Services from the Nauman, Lincoln and Muzio funeral home at 9 A. M. were followed by a requiem mass at 9:30 A. M. at the Catholic Mission Church on Alvarado St., Brisbane.

Military services were accorded the deceased and interment was at the Golden Gate National Cemetery.

CARD OF THANKS

We wish to thank all friends, relatives and neighbors for the beautiful tributes and kind expressions of sympathy extended to us in our recent bereavement.

MISTAKEN IDENTITY

A 24-hour search revealed the dog that bit "Cookie" Venturi, age 6, daughter of Mr. and Mrs. Henry Venturi, of South San Francisco, belonged to Eddie Sutra, Baden, and not to a resident of Brisbane as first reported. At the time of the incident Mrs. Venturi asked the boy accompanying the dog his name and he stated, "Larry" and was reported to be from Brisbane.

The dog was turned over to the San Bruno pound for observation. The little girl is receiving shots for rabies. It was reported that the child was bit while running from the swings to join her mother at Orange Ave. park in South San Francisco. Five stitches were required to close the gap over her left eye. Property owners are urged to keep dogs off the streets unless on a leash.

Mrs. Theda Livermore and daughter Donna Burns, from Springfield Mo., arrived in August and are living with Mrs. Livermore's sister Miss Bonnie Ingram.

Everyone in Brisbane should be
proud of these boys and girls for
what they have done and are go-

In this parade the Drum and

and there was very few people out
of the 70,000 to 100,000 watching
the parade that didn't see and read
this sign.

Thanks everyone that helped
make our last dance a success. We
immediately spent the net proceeds
and bought six more new Snare
Drums and they used them in the
Legion Parade.

We are holding another dance,
Saturday, September 18th at Traf-

enough to buy two new Bass
Drums and four New Tenor
Drums.

A large attendance at this dance

is urgently requested. We are so
near our goal of getting these boys
and girls properly equipped and, as
far as we know now this will be
our last opportunity to have a
dance in Brisbane. We will do our
best to make this dance the best
